

**Behaviour – Well Done!**

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; **Be Safe, Be Responsible and Be Respectful**. The totals below show how many children have achieved this each week.

**Isolation Rules**

Please could I remind you that if anyone in your household has symptoms of Covid 19 your child/ren should not attend school. The whole household should be isolating.

Also if a member of your household has booked or is awaiting test results for Covid 19, children should not attend school. The whole household should isolate until the results are returned.

If you are ever unsure of the rules around Covid 19, please contact school and we will be happy to help you and offer the correct advice.

# Read all about us...

Each half term we gather Pupil Voice about issues in school to ensure that our curriculum is providing children with all the skills they need to succeed. The results help us to improve aspect of the curriculum and ensure the key issues are being addressed in school. The Academy Council also have an important role in this process by communicating the voice of their class in their weekly meetings. The teachers then ensure that they include the key aspects in their Personal, Social, and Health Education lessons.
