

Behaviour – Well Done!

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; **Be Safe, Be Responsible and Be Respectful**. The totals below show how many children have achieved this each week.

Holiday Hunger Programme 19th December 2020-3rd January 2021

Please find below information for families to support them during the school Christmas Holidays.

What is happening?

The government has provided a Winter Grant to Bradford Council. They have allocated some of this funding as grants to the Voluntary Sector to provide food for children and families experiencing food deprivation. This will ensure enhanced food provision for the Christmas and February Holiday periods

How will these voluntary sector organisations support families?

There are 55 voluntary sector organisations that will be providing support over the holidays. Many of whom provided holiday hunger support during the summer holiday and October half term.

Where can families find support?

Bradford Council have provided a list of the voluntary sector organisations that are participating in the holiday hunger programme, including contact details for your reference. Parents can contact the organisations directly if required. Please click on the document below to find information about these organisations.
