Remote Learning Engagement

Children have been accessing live teaching, pre-recorded videos, follow up Class Dojo activities and paper based work packs.

Remember that remote learning does not mean just live lessons, there are also pre-recorded videos, paper work packs and lots more.

There is no pressure from school for children to complete everything, just to do what they can.

We do try to provide as much as possible to help you're child be independent when accessing remote learning.

We are by no means expecting parents and carers to be teachers which is why the Zoom lessons are being used, this way your child can just press the link and access live classroom teaching from school staff. The worksheets are in their portfolio again to be accessed independently.

Older children particularly are very good with technology and this may ease the boredom of being at home during lockdown. School staff are more than happy to talk children through how to access things. Please just let us know.

For our full remote offer please visit our website: www.smpa.org.uk/remote-learning

Y6Q: Sara and Ibrahim

Y6R: Mohammed Deen and Mehreen

We now have our Achievement Assemblies on Zoom at the end of the live lesson on Fridays.

All children in the class get to join in the assembly and see their friends receive their awards online.

Read all about us...

Year 1

This week Year 1 had their first live Phonics lesson. So many children joined this lesson and were so grown up and clever!

We are all super proud of our Year 1's, keep going guys!

Everyone who attended got 20 extra dojos.

Next week we will be adding a Maths live lesson as well. Keep your eyes on Class dojo for more information.

Reception

Reception have been learning about the story Owl Babies. Look at some of the amazing work they have done! I love the Owl pictures they have made with their home learning packs and sent back to school for marking. Excellent work from our youngest children with their remote learning.
