

Behaviour – Well Done!

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; **Be Safe, Be Responsible and Be Respectful**. The totals below show how many children have achieved this each week.

We now have our Achievement Assemblies on Zoom. All children get to join in the assembly and see their friends receive their awards online.

Remote Learning

Please note that we are required to provide home learning for any child who is isolating with suspected symptoms or is awaiting a test or result.

Please ensure you sign up to Class Dojo so that your child can receive their work. Mrs Merrick who is currently working from home is providing all the remote learning.

Work should be submitted on Class Dojo and Mrs Merrick will provide feedback to help children to continue to make good progress, ensuring children do not fall further behind in their learning.

Our Curriculum

This year we are focusing on our curriculum offer for the Foundation Subjects like art and music.

Music

Every child in school will receive a weekly lesson from a peripatetic teacher who will come in to school to deliver music tuition. Each child has their own instrument provided in school. Below are the instruments that your children will be learning.

Reception-Singing Lessons

Y1-Percussion

Y2-Recorder

Y3-Ukelele

Y4-Guitar

Y5-Clarinet

Y6-Trumpet

We can't wait to share with you what children have learnt

Art

We are working with an art consultant to provide high quality art lessons and develop fantastic artistic skills in our children. We look forward to having some amazing pieces to share with you on Class Dojo soon.

Forest Schools

We have been fortunate to have been provided with funding to allow children to have free forest school lessons in school. These lessons started this week with Y2 having a fantastic day in the grounds of school learning about the great outdoors!

Class Dojo

Please make sure you sign up for Class Dojo to receive the weekly newsletter in paperless form and also to keep up to date with what is going on in your child's class.

You can also see the positive behaviour points that your child receives.

Attendance

We have been instructed to reinstate the Attendance Policy in line with government guidance. Therefore we expect **97% or better** attendance from all children. This is to ensure we start to close the gap in learning that children have experienced over lock down.

There are rewards for children in school for good attendance.

Would you like to win £20 of Tesco vouchers or an Amazon Fire tablet?

To be entered into the prize draw to win **£20 of Tesco vouchers** ensure your child has 100% attendance for the rest of the half term from **Monday 14th September 2020 to Friday 23rd October 2020.**

To be entered into the prize draw for the **Amazon Fire** tablet your child needs **100% attendance** for the whole academic year.

Every child who achieves 100% attendance in any half term will receive a small prize and certificate in recognition of their achievement.
