

Behaviour – Well Done!

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; **Be Safe, Be Responsible and Be Respectful**. The totals below show how many children have achieved this each week.

Happy Easter

Happy Easter to all our families who will be celebrating over the holidays. A restful holiday to everyone.

It has been a wonderful 3 weeks back in school, with children settling back in to school routines very well.

Half term reports have been sent out this week. If you have any questions about them, please call the office to make an appointment with your class teacher who will be happy to call you to discuss in more detail. Face to face meetings are still reserved for emergency situations.

Please have a happy and safe break everyone and we'll see you back on Monday 12th April.

There's been some great stuff going on in the Academy this half term. Please follow us on Twitter to see regular photos and updates of things happening throughout the week.

Wellbeing Assembly

This weeks Monday morning assembly was about the wellbeing indicator of Being Healthy.

I spoke to children about how they can be healthy physically and emotionally. We discussed what we could do to make sure our bodies are healthy and our minds are equally healthy.

Here is the wellbeing wheel, we will be covering a different aspect of emotional health and wellbeing each week.

We are also using Thrive Approach in our classrooms to support Personal, Social, Health and Emotional development.
