

Behaviour – Well Done!

At the Academy we use the reward and consequence (C's 1-6) system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; **Be Safe, Be Responsible and Be Respectful**. Children achieve this may not being issued a C4 which would be a playtime detention.

The totals below show how many children have achieved this each week.

Fun Day

We have planned a **Fun Day** at school on **Friday 25th June**.

On the Fun Day, Bradford Community Play Service will be providing us with a fun inflatable obstacle course which is suitable for all ages. Each class will get a turn to access the play equipment throughout the day. We have planned this treat for the children as they have been so resilient through a very hard year and also we have been unable to go on the usual school visits. On **Friday 25th June** children should **come to school in sports clothes** that will be suitable for climbing, jumping and having lots of fun!

Parental Survey

Thank you for your feedback on the curriculum we offer at Southmere. Here are the results of the parental survey. We teach a broad and balanced curriculum in every year group. The pictures below show just a small snippet of the children's learning. Each half term the Curriculum Newsletter is sent home for each year group showing the learning that will be happening, it is also on the website and Class Dojo. If you have any further questions about curriculum please speak to your class teacher
