

Behaviour – Well Done!

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; **Be Safe, Be Responsible and Be Respectful**. The totals below show how many children have achieved this each week.

Attendance

If you need support and guidance with attendance please contact the school office. Government guidelines are that every child should be in school and the Attendance Policy is reinstated.

Parents can incur a fine for not sending their child to school when it is safe to do so.

We are always available to discuss any concerns that you may have will do our best to address and concerns that you have.

For the few children who are required to work from home at the moment we are providing work packs and live zoom lessons.

Social Distancing

Please can all parents and carers stick to the **2 metre social distancing** guidelines as instructed by the Government on school grounds. Also please **adhere to the 1 way system**. It is everyone's individual responsibility to **stop the spread of Covid 19** in the community.

If you do come into the main office area please can we ask you to wear a face covering and adhere to 2 metre social distancing as you wait for entry to the office area.

Only one family permitted in the office area at anytime.

Sticking to the **rules** will allow for schools to remain open and for us all to get back to a normal way of life.

Thank you

Risk Assessment update

A few reminders about the measures we have taken in school to ensure we are minimising any risk of transmission.

- Children are in Bubbles and the Bubbles do not mix with each other
- There are staggered start and end times to the school day
- Playtimes and lunchtimes are staggered and there are barriers to stop Bubbles from mixing
- There is enhanced cleaning of classrooms and toilets at lunchtimes
- There is a one way system inside school for corridors
- There is a one way system outside of school for parents and carers.

Safeguarding: Online safety

In the current climate with children spending more time online it is increasingly important to **monitor the use of websites and online gaming**, as well as the use of **social media apps** such as **Tik Tok and Snap Chat**.
