

Behaviour – Well Done!

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; **Be Safe, Be Responsible and Be Respectful**. The totals below show how many children have achieved this each week.

A Huge Thank You!

Thank you so much for your kind donations to the Bun Sale for the Cancer Research Charities we raised the grand total of £415.76.

Thank you to everyone who donated to the Tin Bring for the Harvest Festival, we will be donating your contributions to St. John's Food Bank.

Members of the newly elected Academy Council will deliver these at the start of the new half term.

Thank you for your generosity during this very difficult time to help those in need.

Have a great half term break everyone!

A Reminder about Social Distancing

Please can all parents and carers stick to the **2 metre social distancing** guidelines as instructed by the Government on school grounds. Also please **adhere to the 1 way system**. It is every-one's individual responsibility to **stop the spread of Covid 19** in the community.

If you do come into the main office area please can we ask you to wear a face covering and adhere to 2 metre social distancing as you wait for entry to the office area.

Only one family permitted in the office area at anytime.

Sticking to the rules will allow for schools to remain open and for us all to get back to a normal life.

Unfortunately, any parents or carers found to be repeatedly breaching the rules will be asked not to enter the school site and alternative arrangements will be made for their child at home time.

Thank you

Half Term Round Up

It has been a wonderful half term and we are so pleased with the way children have settled back in to their learning routines.

Hopefully children have been coming home excited about the new curriculum develops and telling you all about their day, but if they haven't this is what we have been up to!

Forest Schools

All the classes up to Y4 have now had their Forest School taster session. After the holidays it is the turn of Y5 and Y6. Children have learnt so much about the environment and woodland skills. We will continue to develop our Forest Schools lessons as the year continues.

Music Lessons

Every child in school is now learning a musical instrument. The corridors have been alive with the sounding of Samba Drumming, Trumpets, Clarinets and Guitars. In the future we will treat parents to some wonderful performances when it is safe to welcome more adults back in to school

Art Lessons

There have been some excellent works of art starting to take shape. The Space inspired art work of the EYFS is a wonder to behold, whilst the Y6 work on Roman Halter is truly thought provoking. Follow us on Twitter to see lots of examples of children's work.
