

**Behaviour – Well Done!**

At the Academy we use the reward and consequence system to warn children if their behaviour is not of the acceptable standard. Children should follow the school rules; **Be Safe, Be Responsible and Be Respectful**. The totals below show how many children have achieved this each week.

We now have our Achievement Assemblies on Zoom. All children get to join in the assembly and see their friends receive their awards online.

**Safeguarding**

In school we teach Personal, Social, Health and Citizenship Education (PSHCE) through a programme called Jigsaw. Find out more here: <https://www.jigsawpshe.com/>

PSHCE aims to prepare children and young people for life, helping them really know and value who they are and understand how they relate to other people in this ever-changing world.

This half term we are learning about the topic Celebrating Difference. This topic will help children to

understand tolerance and understanding of those that are different to them.

It will also discuss bullying, how to identify it and what to do about it. The school has an Anti-bullying

strategy and a Child Friendly Anti-Bullying policy that is written by the Academy Council. Our Playground Buddies help children in the playground and are a friendly face to turn to if a child is feeling upset or left out.

This half term talk to your children about differences and tolerance at home and I am sure they will fill you in with what they have learnt at school.

## Meet our School council Team

This week we announced the names of our School Council Team, the children were also given their badges to wear every day when they come to school.

We were extremely proud of each and every child and as quoted by Mrs Binns "the children were excellent. They conducted themselves very professionally and showed a real passion and love for our school."

## Quotes from the members of the school council team:

"I want to make the school and better place".

"I would like to help others, stop bullying and make everyone happy".

"I would like to have a toy day so that everyone have fun playing together".

"My goal is that as a school we will raise money for charities".

We congratulate the children for making such a huge effort.
