

# Topic: Just Wild About Animals!

KQ: What do Zoologists do?

	<i>I like to explore</i>	<i>I like Maths</i>	<i>I like English</i>	<i>I like being creative</i>	<i>I like being kind and helpful</i>	<i>Time to get physical!</i>
<i>Strengthen your learning</i>	What Physical and human features can you spot in your local area?	Measure the heights of you and your family members in CMs and record it on a sheet.	Act out the story of Jack and the Beanstalk	Create a collage of an habitat using coloured paper.	Tell somebody you hope they have a good day,	Do 10 star jumps in your garden.
<i>Deepen your learning</i>	Write a list of Religious buildings you can spot in your local area.  Mosques, Synagogue, Church, Mandir etc..	Compare the heights of you and your family members.  Who is the tallest?  Who is the shortest?  Who is taller than you?  Who is shorter than you?	Using a story mountain make up your own overcoming a monster story.	Dress up as your favourite animal and record a video of yourself telling us your favourite facts about the animal.	Help take out the rubbish.	Have a race with your parent/siblings in the park.
<i>Take the Challenge!</i>	Pay a visit to Bolling Hall and learn What it was like to live in the time of Samuel Pepys.	Go to the shop and help your parent count the total of what you/they have bought.  What was your total?  How much money did you give?  What change did you get?  What coins/notes did you use?	Write you own overcoming a monster story. Don't forget to use conjunctions and expanded noun phrases.	From manmade materials make a habitat  e.g plastic, cardboard, paper and cereal box	Help your parent cook a family dinner.	With a parent go for a walk round your neighbourhood pick up litter to make your area clean!  Make sure to wear gloves
