

Y5 'Marvellous Mountains- How are they shaped and formed over time?'

Homework

	I like to explore	I like Maths	I like English	I like being creative	I like being kind and helpful	Time to get physical!
Strengthen your learning	Can you research how many different mountains there are in the world?	Go on Times Table Rock stars every night completing. STUDIO and SOUNDCHECK	Create a poster advertising your favourite book character.	Can you research and make a list with pictures of different types of materials- wood, foil and paper.	You can use your manors towards everybody.	How many steps can you do in a day? Challenge a family member!
Deepen your learning	Find and circle where the mountains are on a map.	Using a cake, sweets, pizza, fruit or anything you have at home to represent different fractions. EG. Cutting the pizza in $\frac{1}{2}$ or $\frac{1}{4}$ s take a picture and send it to your teacher via dojo.	Can you write a poem that rhymes about the animals?	Write a sentence in Espanol (Spanish) using your recent vocabulary.	I can offer support to others in class or at home if I can see them struggling.	Practice basic balances you have learnt in gymnastics.
Take the challenge!	Create an information poster on your favourite mountain to go up on our topic display.	Can you measure the dimensions of a room in your house? What unit of measurement could you use?	Make a spider diagram of different adventurous adjectives you can use to describe a mountain. Use synonyms to up level your work. EG: Big-Colossal	Choose an object from home and draw a picture of it and label the different materials it is made from. Identify the properties of the materials and why you think that they are made out of them.	Create a card for a family member and tell them 5 things that you are grateful for that they do for you.	Create a simple gymnastic routine?
